Memorandum

Date:

October 27, 2009

To:

San Jose Area

Attention: Captain C. J. Wayne

From:

DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

Office of the Assistant Commissioner, Inspector General

File No.:

005.9968.A07146.010

Subject:

2009 COMMAND PROPERTY INSPECTION REPORT

In accordance with procedures outlined in Highway Patrol Manual (HPM) 11.2, Materials Management Manual, and HPM 22.1, Command Inspections Program Manual, an inspection of your command's property, including vehicles and weapons, was completed by the Property Inspector (PI) on October 5, 2009. Using property records from the appropriate Offices of Primary Interest (OPI), the PI selected a random statistically-valid sample of property that was stratified across four property areas: general inventory control, telecommunications, fleet, and weapons (see Attachments B, C, D, and E). Additionally, the PI chose items within your command and compared them to the appropriate inventory records.

According to the OPI inventory lists, the command had a total property inventory population of 1,080 items (a). The statistically-valid sample at a 95 percent confidence level \pm 5 percent error rate provided a total sample size of 61 items. Each OPI inventory list was stratified (c) and the results rounded up to the next whole number (d) to ensure all inventory lists were proportionally represented in the statistically-valid sample.

	Population Size	Percentage of Total	Calculated Sample Size	Predetermined List Sample Size
	(a)	(b)	(c)	(d)
ICU Decals	397	36.76%	21.32	22
Telecommunications	400	37.04%	21,48	22
Fleet	56	5.19%	3.01	4
Weapons	227	21.02%	12.19	13
Total	1080			61

When comparing equipment recorded on the predetermined property inspection list to equipment located at the command, 52 of the 61 items were located. One item was unavailable due to item being held in evidence, seven items were transferred to other commands, and one item (Laptop)

San Jose Area Page 2 October 27, 2009

was previously reported as missing. Furthermore, one of the 52 items requires a correction be made to the property record. The property inspection results of the equipment recorded on the predetermined property inventory list to equipment located at the command are summarized in Attachment A.

When comparing equipment assigned to the command to the OPI inventory lists, 92 of the 93 items reconciled. One item was not listed on the appropriate OPI inventory list. The property inspection results of equipment located at the command to the OPI inventory list are summarized in Attachment A.

I request your command research and investigate all the discrepancies in accordance with departmental procedures outlined in HPM 11.2, Materials Management Manual, Chapter 8, Equipment, and work with the appropriate OPI(s) to rectify any variances. A Physical Inventory Adjustment Request, CHP 24, must be completed to adjust the inventory records. In order to verify that the above listed discrepancies have been rectified, please submit a memorandum to the Office of Inspections through your respective Division by January 27, 2010.

Furthermore, in accordance with the Governor's Executive Order S-20-09 to increase government transparency, this report will be posted on the CHP's internet website, and on the Office of the Governor's webpage, located on the State's Government website.

The Office of Inspections would like to thank your command for their assistance during this property inspection. If you have any questions or need additional information, please contact me or Roger Ikemoto, Senior Management Auditor at (916) 843-3160.

Assistant Commissioner

Memorandum

Date:

May 19, 2009

To:

Golden Gate Division

From:

DEPARTMENT OF CALIFORNIA HIGHWAY PATROL

San José Area

File No.:

340,11167,10894

Subject:

LOSS OF STATE-OWNED EQUIPMENT

On May 17, 2009, the San Jose Area became aware of the loss of a CHP MDC-laptop. The Gateway Model-M255 laptop had a serial number of 39338456, and a CHP tag number of 156772 (with a mnemonic of "ZDCP"). Please remove the above item from the inventory assigned to the San Jose Area.

If you have any questions, please contact Lieutenant Scott Wood, or myself at (408) 467-5400.

C. J. WAYNE, Captain Commander

Lost CHP Laptop - MDC

Model: Serial No.: Gateway M255

CHP Tag:

39338456 #156772

Mnemonic:

ZDCF

Assigned to:

Officer Benjamin Schiesser, #18661

Last used by:

Officer Benjamin Schiesser, #18661

Last Witnessed by:

Officer Matthew Rasmussen, #18880 (partner officer)

Summary:

Officer Schiesser reported the laptop as missing to a supervisor (Sergeant B. Straw, #16737), on May 17, 2009, at approximately 0145 hours, when he recognized it was missing.

Officer Schiesser last saw the laptop when he was clearing the San Jose Correctional Jail, at 200 W. Hedding St., San Jose, 95710. He stated he placed the laptop on the top (roof) of the patrol car, and drove away at approximately 0130 hours, without first storing inside the car. The laptop was not recognized as missing until he arrived at an accident scene, at S/B US 101 at Tulley Rd. at about 0145 hours.

Efforts to find the laptop that night, and again the next day (in daylight) have prove fruitless, even though officers and sergeants have scoured the jail parking area, and the route taken by Officer Schiesser to the accident scene. Similarly, the management staff at the jail were advised of the missing laptop and asked to notify the Area if it was located, as was also San Jose Police Department (who frequent the jail parking lot).

CHP 216 by Area, and Officer's memorandum to follow.

CLETS Entry

On May 18, 2009, the laptop was entered into CLETS as lost (see also GG CAD log #2457).

Notifications: by Lt. S. Wood
